

* The Seventeenth Annual * HAY BALE THROW CONTEST

The Challenge is There / Step Up One And All!

My, oh, my! We have a disaster in the makin'. Ol' Hazzard Twine Baylor is very discouraged about the flab that has accumulated down your way, and is worried that no one will be able to pick up a hay bale if the situation doesn't improve.

Everyone is goin' green, and you had better start eatin' your greens and heavin' those hay bales if you expect to compete in the Seventeenth Annual Hay Bale Throwing Contest on October 4th.

Also, remember those tips to improve your distance. You're really goin' to need some extra help this year!!! Orange suspenders (the glow-in-the-dark kind) will definitely improve your throw. Don't forget those orange shirts and socks. An orange hat might just give you the edge that you need.

So think **orange and green** and you're sure to be a winner! Don't disappoint Ol' Haz. He's countin' on you to set some records this year!

The GIANT PUMPKIN PARTY has been granted lifetime certification by the *International Hay Bale Throwers Association* of Moose Jaw, Saskatchewan, Canada.
